JACUZZI
BATHTUB

2026 NEW
COLLECTION

VOPOMEX
YOUR BATHROOM EXPERT

Experience *the wonders of water*
Feel the **beauty** *of water*

The appearance is simple yet fashionable.

The smooth lines outline an elegant shape.

Whether it is a modern minimalist bathroom or a classical-style

bathroom space, it can seamlessly blend in and become

the focal point of the entire space.

Emphasizing the design and comfort of the product,
we have created high-quality bathtubs.
We pursue a luxurious living experience,
and not only are they beautifully designed,
but the usage experience is also extremely superior.

The smooth and round design, the fluid lines,

represent the pursuit of higher quality and more beautiful art.

They are also the artistic masterpieces that every soul yearns for,

and can be regarded as a perfect work of art.

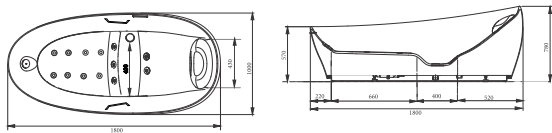

*The backrest design of the bathtub is extremely thoughtful.
The spacious interior provides ample
space for you to stretch out your body,
allowing you to immediately experience its unparalleled comfort.*

*Make the bath experience as warm as spring.
The curved surface of the bathtub
fits the curve of your back,
and the comfortable inclined backrest makes
the bath truly a delightful experience.*

WATERFALL WHIRLPOOL BATHTUB

Activate the massage mode. The powerful water flow is hitting every part of your body, just like there are gentle yet powerful hands massaging you. All the muscles in your body have been relaxed, and you are immersed in the warmth of the bathtub. Time seems to have stopped.
